I really don't like
going out in bad
weather

Our grounds
aren't very
inspiring

My class never
have the right
outdoor clothing

I'm worried
about my class
behaving badly
when outside

I don't have
enough adults to
make it work

It takes ages to
find all the
equipment I
need

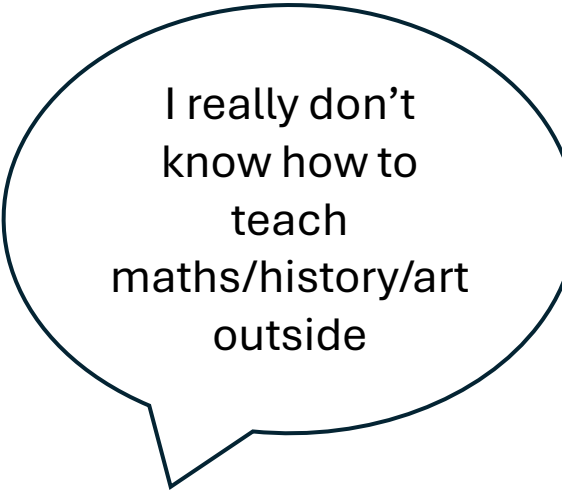

It's ok in the
summer but the
winter is so cold

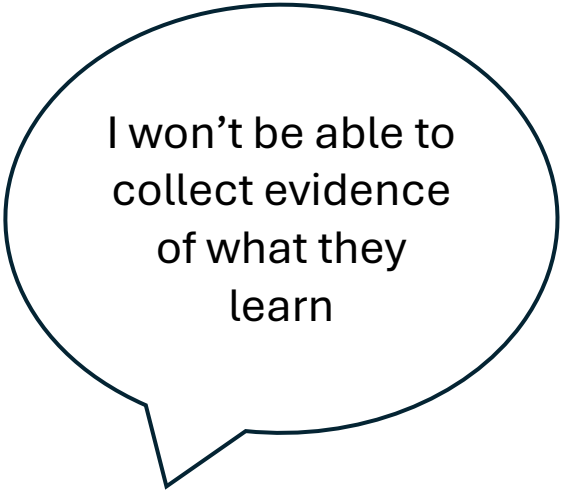

I'm not sure if
anyone else will
be using our only
bit of
greenspace

The classroom
gets so muddy
after we've been
outside

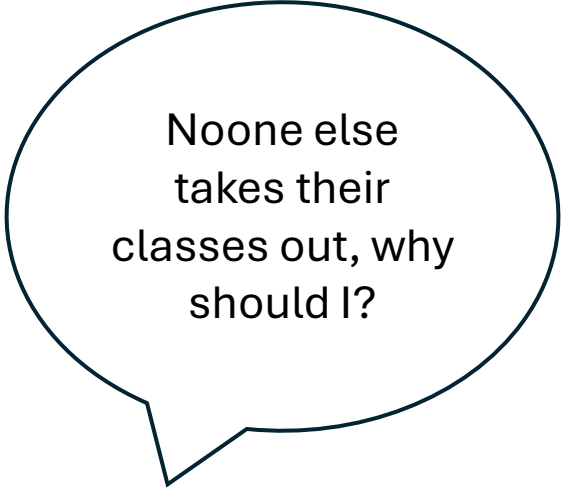

I really don't
know how to
teach
maths/history/art
outside

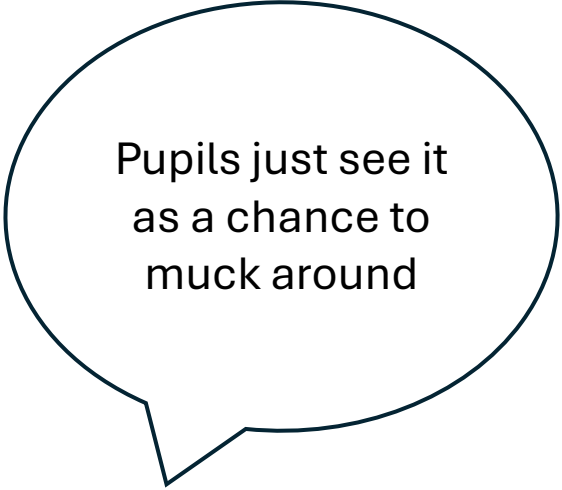

I won't be able to
collect evidence
of what they
learn

I really don't like
going out in bad
weather

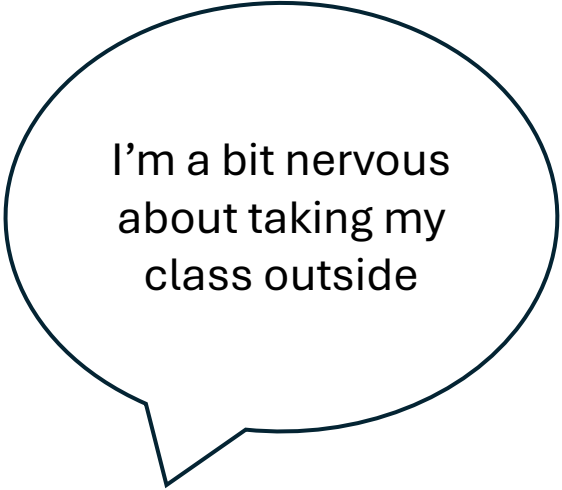

Noone else
takes their
classes out, why
should I?

Pupils just see it
as a chance to
muck around

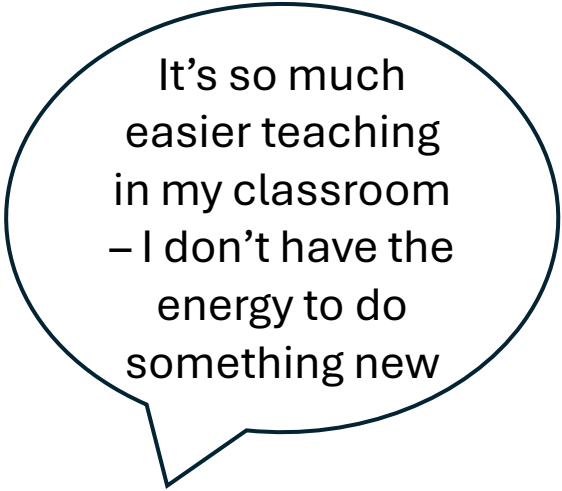

It's harder to be
inclusive outside

I'm a bit nervous
about taking my
class outside

I don't know
anything about
wildlife and I
don't want to
look silly

It's so much
easier teaching
in my classroom
- I don't have the
energy to do
something new
